

# PerfoN

## FLEXIBLE PACKAGING

### Applications

- ◆ Pharmacy / Cosmetics
- ◆ Non-food
- ◆ Food

## CELLOPHANE FILM

Cellophane film gives your products the luxurious look it deserves. In Addition the film also offers excellent protection to your products. The film is easy to use on your packaging lines.

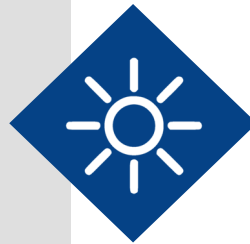

Cellophane is extremely suitable for objects such as perfume and tea boxes. The light reflecting effect of the material ensures an optimal presentation of the product.

**Luxurious Appearance**

**Easy to remove**

**High transparent film**

**Perfon Flexible Packaging** has more than 40 years of experience in producing flexible packaging solutions for the food- and non-food industry. Our high quality transparent films can be produced with hotneedle-, macro- and laser perforation. Are you looking to have a printing on the film? No problem, due to our flexo printing technique we have the possibility to add a full colour printing up to ten colours. Our company is part of the OPACKGROUP, a strong co-operation of seven companies, all specialized in a different aspect within the world of flexible packaging solutions. Combined we can offer you the latest innovations and the most sustainable packaging solutions in the market.
